## BAD STOMACH

### MAKES BAD BLOOD.

You can't make sweet butter in a foul churn. Every farmer's wife knows this. Your stomach churns and digests the food you eat, and if foul, torpid or out of order, your whole system suffers from blood poisoning. You will have foul breath, coated tongue, bad taste, poor appetite and a whole train of disagreeable symptoms. Dr. Pierce's Golden Medical Discovery, which is not a beverage composed of whisky or alcohol, being entirely free from intoxicants, is a great regulator and invigorator of the stomach, liver and bowels.

"About a year ago I was ill with blood poisoning," writes Miss Evelyn Lewis, of 50 Walter Street, Buffalo, N. Y. "I had what seemed to be a small cold sore on my lip. It became very angry in appearance and began to spread until it nearly covered my face. I was a frightful sight and could not go out side the house because of my appearance. I used a blood medicine which did not give me any relief. Then I began to take your Golden Medical Discovery. I was greatly benefited with the first bottle and after taking the second bottle I completely recovered. The eruptions on my face disappeared and my blood was cleansed. My complexion is clear and fresh and I have felt better. Dr. Pierce's Golden Medical Discovery is certainly a most remarkable medicine."

Don't accept a substitute for a medicine which performs such cures and which has a uniformly successful record of nearly forty years to its credit. It's an insult to your intelligence for a dealer to try to over-persuade you to palm off upon you its own inferior article with no record to back it up. You know what you want; it is his business to meet that want.

**\$50,000** GIVEN AWAY. In copies of Medical Advertiser, a book that sold to the extent of 500,000 copies at \$1.00 each. Last year we gave away \$50,000 worth of these invaluable books. This year we shall give away \$50,000 worth of them. Will you state for how long you will keep your copy of this book? If so, send only 21 one-cent stamps to cover cost of mailing only for book in return for paper covers of 21 stamps for cloth-bound. Address: Dr. R. V. Pierce, Buffalo, N. Y.

Constitution although a little ill, he gets big ones if neglected. Dr. Pierce's Golden Medical Discovery.

THE PEOPLE ALL

In Chorus Cried, Give Us Newbro's Herpicide.

This word of late has been in everyone's mouth, and many are wondering what the word signifies, though no has yet been found, who will do the NEWBRO'S HERPICIDE does the work.

Well, for the information of thousands of people who like to know all about a food thing, we would say that HERPICIDE means, a destroyer or killer of "Herpes."

Now "Herpes" is the family name of a disease caused by various vegetable parasites. A similar microbe causes dandruff, itching scalp, and falling hair; this is the microbe that NEWBRO'S HERPICIDE promptly destroys; after which the hair grows. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

**FRANCE AND MOROCCO.**

The French ministers under the presidency of Premier Rouvier held a lengthy special session yesterday. It was principally devoted to a consideration of the disciplinary measures to be taken against Morocco should the Sultan not yield to the demands of the government for returns for the recent arrest of a Franco-Algerian citizen.

An official communication says that unanimous approval was given to the instructions to be sent to the French minister at Fez, St. Rene Taillandier, and to the subsequent action to be taken to compel the Sultan to give complete satisfaction.

The nature of this action is not disclosed, but it is known that it contemplates the military occupation of a Moroccan town near the Algerian frontier, probably Oudjda, to its proximity to a large French garrison in Algeria, and to its strategic importance, as it commands the route to the interior of Morocco and the capital, Fez. The latest official advice from Fez show that the Sultan continues to hold the Algerian a prisoner.

Following the meeting, Premier Rouvier sent instructions to the French minister to demand the immediate release of the prisoner, informing him that a military demonstration would be made in case of a negative response.

Later it was announced that the ministers had decided that in case Morocco refused the French demands, the entire personnel of the French Legation would leave Morocco simultaneously with the military demonstration.

All the leading powers have approved the determination and firm action of the French government.

A military demonstration against Morocco was considered by the ministers to be preferable to a naval demonstration. The latter might involve international complications, as other powers, notably Germany, would probably send ships for the purpose of observing the French demonstrations.

Germany has thus far approved the French demands for redress, but fears are expressed in some quarters that the Sultan will refuse to yield, in the hope of securing the aid of Germany.

**BOYCOTT IN JAPAN.**

The anti-American Chinese boycott has reached Yokohama. The first indication of its presence was on July 26, when local Chinese refused to give any freight to the steamer Manchuria, due to leave for Hongkong on the 28th. The reason stated by the local Chinese, was that no coolies at Hongkong would dare to discharge such cargo. The movement slowly continued until on Sunday, August 6, a meeting of representative Chinese was held at the Chinese Hall of Commerce, Yokohama, when it was resolved: First—Not to deal in American goods. Second—Not to ship any goods on American steamers (more particularly to Chinese, as Chinese relatives would be punished). Third—That any Chinese merchant doing such business through another would be dealt with as if the business had been done by him. Fourth—Not to do business with any American banking or insurance company. Fifth—Some indulgence to be granted on account of the goods to be shipped to ports whither none but American steamers ply. Sixth—Any Chinese infringing these resolutions to be subject to a heavy fine. There are more Chinese than people of any other nationality in Yokohama, the latest census giving 7,142.

J. L. Rodgers, the American consul-general at Shanghai, yesterday had an interview with the tootsi, who said it was his intention to issue a proclamation ordering the Chinese merchants of Shanghai to resume their trading in American goods. Seemingly, however, the local officials are making only half-hearted efforts to stop the boycott.

**Five Girls Murdered at Same Spot.**

At almost the same spot, near Spring Grove Cemetery, Cincinnati, where five girls have been mysteriously murdered and more than a dozen attacked within a little more than a year, Elsie McGrath, aged 17, was found early yesterday almost dead. Everything indicates that the attack was the work of the same man, whose crimes have baffled the Cincinnati police. Miss McGrath was attacked while on her way home about 11 o'clock Wednesday night and lay in a lonely spot near the cemetery unconscious until discovered early yesterday. Though seriously injured, she will recover. The scene of the latest murder is called "Lovers' lane," because, until the murders committed by the mysterious slayer, it was a popular walk for young people. Since May, 1904, when the body of May McDonald was found, only persons absolutely compelled to travel in that locality have used that highway. Miss Louise Mueller was murdered in the summer of 1904 and in November last Alma St-jungeweg was slain. Only women have been attacked, and, although they have not been slain, they have not escaped without injury. Some of them were armed and shots have been fired at the man, whom the police believe to be a madman.

## Doctor Brigham Says

MANY PHYSICIANS PRESCRIBE

Lydia E. Pinkham's

Vegetable Compound

The wonderful power of Lydia E. Pinkham's Vegetable Compound over the diseases of womanhood is not because it is a stimulant not because it is a palliative, but simply because it is the most wonderful tonic and reconstructive ever discovered to act directly upon the generative organs, positively curing disease and restoring health and vigor.

Marvelous cures are reported from all parts of the country by women who have been cured, trained nurses who have witnessed cures and physicians who have recognized the virtue of Lydia E. Pinkham's Vegetable Compound, and are fair enough to give credit where it is due.

If physicians dared to be frank and open, hundreds of them would acknowledge that they constantly prescribe Lydia E. Pinkham's Vegetable Compound in severe cases of female illness, as they know by experience it can be relied upon to effect a cure. The following letter proves it.

Dr. S. C. Brigham, of 4 Brigham Park, Fitchburg, Mass., writes:

"It gives me great pleasure to say that I have found Lydia E. Pinkham's Vegetable Compound very efficacious, and often prescribe it in my practice for female difficulties."

"My oldest daughter found it very beneficial for uterine troubles some time ago, and my youngest daughter is now taking it for a female weakness, and is surely gaining in health and strength."

"I freely advocate it as a most reliable specific in all diseases to which women are subject, and give it honest endorsement."

Women who are troubled with painful or irregular menstruation, bloating (or flatulence), leucorrhoea, falling, inflammation or ulceration of the uterus, ovarian troubles, that bearing-down feeling, dizziness, faintness, indigestion, nervous prostration or the blues, should take immediate action to ward off the serious consequences, and be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound, and then write to Mrs. Pinkham, at Lynn, Mass., for further free advice. No living person has had the benefit of a wider experience in treating female ills. She has guided thousands to health. Every suffering woman should ask for and follow her advice if she wants to be strong and well.

**Agonizing Burns**

are instantly relieved, and perfectly healed by Bucklen's Arnica Salve. C. Rivenbark, of Norfolk, Va., writes: "I burnt my knee dreadfully; that it blistered all over. Bucklen's Arnica Salve stopped the pain, and healed it without a scar." Also heals all wounds and sores; 25c at E. S. Leadbeater & Sons druggists.

**A Warning to Mothers.**

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy, and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in case of cholera infantum. For sale by Gibson & Timberman and W. F. Creighton & Co.

**Take Kodol After Eating.**

After a hearty meal a dose of Kodol Dyspepsia Cure will prevent an attack of indigestion. Creighton, and Co., 401 King street.
